

Perceptioneering

Change Your Thinking... Change Your Life!

4 Day Seminar (live and virtual): June 24-27, 2022

Want to move forward, achieve your goals, & improve your relationships, but something holds you back?

The solution is "Perception-eering!"

Change false perceptions, release limiting beliefs, and truly improve all areas of your life!

All life is about relationships: relationship with God, ourselves, and the people, places, things, and situations all around us. In this incredibly powerful four-day, fun, interactive training, you will learn hypnosis concepts/ skills and experience hands-on practical training to:

- Improve Communication,
- Overcome Overwhelm,
- Release Limiting Beliefs,
- Build Confidence, and
- Respond more maturely, accurately, and effectively to all of life's challenges.

What people are saying about Perceptioneering and Scott McFall:

"It was the most wonderful experience I've had... I can now take charge of my life. It's not just for the young. We don't think we are adaptable to change, but we are and we can." Patty A., Hubbard, OH

"I know who I am! I am guilt free and now I can change because I have gotten rid of the guilt." MaryLu C.

Hypnosis Business Journal named Scott McFall, *"The number one hypnosis trainer in the world today."*

Scott McFall is a speaker, trainer, and entertainer specializing in human motivation and change. Some of Scott's past clients include Harley Davidson, 3M, Wells Fargo (and hundreds more corporations), numerous government agencies, television, and movies. His motivational methods are used by hundreds of centers internationally. Tens of thousands of Scott's students all over the world have reported dramatic improvements in outcomes such as improved health, career advancement, improved sales, and increased satisfaction with their personal and professional relationships.
